WITH PASTOR MARK STERLACE

A person in a dark tank top and shorts is climbing a rocky mountain peak. Another person is visible in the background, also climbing. The scene is set against a clear blue sky. The image has a teal overlay.

"My children, our love should not be just words and talk; it must be true love, which shows itself in action."

1 John 3:18

The best way to spell love is
"T-I-M-E."

"Be full of love for others, following the example of Christ who loved you and gave Himself to God as a sacrifice to take away your sins."

Ephesians 5:2

"You can give without loving, but you cannot love without giving."

It says, "Whenever we have the opportunity,
we should do good to everyone."

"Use every chance you have for doing good."

"Whenever you possibly can, do good to
those who need it. Never tell your neighbor to
wait until tomorrow if you can help them now."

The best use of life is love.
The best expression of love is time.
The best time to love is now.
